

Student Health and Wellbeing Unit

New Students' Covid-19 Vaccination Status

All students must be vaccinated against Covid-19.

This is a requirement of our teaching hospitals and clinical sites.

Prior to joining RCSI Bahrain, you will need to complete the Covid vaccination status using the QR code below. You should complete the QR code whether you have received or not received the vaccine so that we are aware of your Covid-19 vaccination status.

The deadline for completion is 31st August 2024.

You can update this QR code as your vaccination status changes.

If you have any questions, you can contact the Student Health and Wellbeing Unit : student-health@rcsi.com.

The Link to the form is
