Undergraduate Schools Transfer Requests Policy

RCSI MEDICAL
UNIVERSITY
OF BAHRAIN

RCSI Bahrain has a strict no transfer policy and does not accept transfer requests from students attending other medical, pharmacy or physiotherapy courses, including all other RCSI Bahrain courses.

Entry to the RCSI Bahrain Undergraduate Schools of Medicine and Nursing and Midwifery is only provided through the application procedures that are described in detail on the University website (<https://www.rcsi.com/bahrain>).

Students who have been discontinued from other university programmes are also ineligible to apply.

The No Transfer Policy does not discriminate and is applied to all transfer requests.
